Dear Principal,

Re: STChallenge & Information Day 2022

It is my pleasure to write to you about two important events we are organizing for Primary 6 students.

STChallenge, debuted last year, is a fun-filled event where participants will work in groups to complete a series of tasks. In the process, they can gain a wide range of experiences – from history to science, and from arts to music. To help participants get a taste of the life of an EMI secondary school student, each group will also be led by a Shungtakian who will communicate with them in English throughout the event. It is definitely a great opportunity for participants to learn more about our school in an enjoyable way.

Here are the details of the event:
